

Donny Ingram

Choice not chance will determine your destiny

"Donny made this training class a personal experience making the material fun and energetic. He made us understand the meaning of what selling is all about."

Veronica Gonsler, Riverside, CA

Donny Ingram is by far the best investment companies can make to motivate and inspire employees. From C-Level to entry level employees, he can motivate, inspire and offer mentorship like no other.

**Keely Caul
Fayetteville, AR**

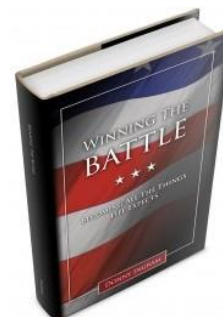

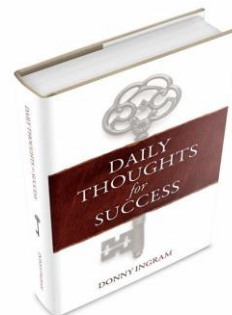

Donny Ingram is an international best-selling author, and speaker who mixes enthusiasm, humor, personal experiences and real stories to deliver a high impact message that ignites audiences to reach higher and achieve exceptional results.

Donny's charismatic style will entertain, captivate and equip every listener with practical, real-life information that is easy to remember and can be put to use immediately. His success in sales, sales management, as well as training and development, has won him recognition as an author, trainer and transition speaker.

Donny says, "Many are seeking ways to improve and grow. All they need is positive motivation, inspiring evidence and proven examples to help them identify, develop and use the principles in order to move forward in life and career."

"Outstanding, much needed in today's work environment as well as our personal life."

Lewis Culpeper, Sr. Executive, Knoxville, TN
